Dear Mr Lee,

Thank you for your letter of the 4th, re Aston Martin VMC 272.

As far as I can recollect, the car was owned at one time before I bought it by James Machin, the rally driver, and had been used in the Alpine trials, which date I regret I don't know.

Soon after I bought it, a big end went, when I was darning it at Coochwood in a practice. The car went to Aston Martin Service Dept at Hanworth, who may be able to give you

a more detailed account of any other work carried out.

The colour was light blue, with fawn upholstery.

I did not sell the car myself, it was sold for me by a relative so I can't tell you who bought it.

Anyway I am pleased to hear that it is with someone who can do something with it, and I hope you get many years of motoring out of it.

Yours sincerely  
J. H. H.
