JIM YOUNG, Pre-1940 REGISTRAR  
55 PRINCES ROAD  
WEYBRIDGE  
SURREY KT13 9BT  
Weybridge (0932) 42773

Aston Martin Le Mans 2/4 registration number RG 3988

Chassis number F3/280/S Engine number B3284

First registered 20/10/1933

This is to confirm that this car is totally authentic, as built by Aston Martin Ltd of Feltham, Middx in 1933. All the major components are original i.e. Engine, chassis, axles, body, springs, Hartford dampers, Steering, Screen, instruments, gear box, wheels etc.

This car is fully documented in the records of the A.M.O.C which lists most of the previous owners. Any other information on this car can be obtained from me as registrar of the Aston Martin owners club. Customer records and general servicing records, still exist from the original company.

J.W. YOUNG
