## 1,000-MILE ITALIAN RACE

STERN TEST OF MEN & MACHINES. **FERODO** AGAIN BRAKES WINNERS

Road racing is the supreme test of brake efficiency. No other part of the car's equipment has to stand up to more constant wear, relentless use, and terrific strain. See that the same linings which have gained the almost universal testimony of racing drivers are fitted to *your* car. There is a *right* type of Ferodo lining specially made for your brakes.
