Subject : Race History & Photos on 8V

Dear Bruce,

Enclosed is the known race history on my 8V and I am sorry that I did not provide you with this earlier.

I am also enclosing photos of the car, a) The 1953 MM, b) The 1955 MM, and c) In 1986 when I bought the car.

Bruce, since the car looks pretty tatty, though all there, when I purchased it, please use your own discretion as to if you want to show this particular set of photos.

Hope all else is clear, I will be in Santa Barbara until 10:30, or so, this morning and then will be in my office in L.A. at phone (818) 787-9000 ext. #75.

Good luck and happy holidays

Barry
