

Ascona Classic Car Award 2021

Classic Cars on Well-Manicured Lawns

The Ascona Classic Car Award 2021 brought around 30 exquisite automobiles to the Lungolago, once again making it no easy task for the jury to distribute the trophies fairly. In addition, the weather was only partially cooperative. As a result, the presentation and awards ceremony were held on Saturday, September 25, on the beautiful lawn of the Hotel Castello del Sole. The second part of the event, scheduled for Sunday on the lakeside promenade, was canceled because the weather forecast predicted continuous rain. And that's exactly what happened. We're showcasing all the winners and a gallery of highlights.
