2nd July 1973.

Dear Mr. Lee,

Thank you very much for your letter of the 27th June - I certainly didn't know that you knew Ian MacGregor and his beautiful Mk.2., nor did I know of his assistance with UMC 272.

That history of which you read was a press release for the Jubilee Year in 1970. For your interest I've enclosed a copy.

Reverting to UMC, yes these transparencies are in the making, but as I might have mentioned before, since they are a rather an odd size and a little out of the ordinary and I fear a bit expensive to process, I've rather left the chap to fit them in when he can. I shall be seeing him next week and will certainly ask him how they are progressing.

Yours sincerely,

R.P. STOWERS.  
Special Representative.
