Your Ref. :

Dear Sir,

The registration of the Aston Martin UMC 272 has been transferred into your name, and I return you the registration book. It seems that this book was issued in 1959 as a duplicate because of the loss of the original. The only information that I have prior to 1961 is the original declaration which shows that the vehicle was registered in the name of David Brown Tractors Limited of Victoria Road, Feltham, Middlesex.

Yours faithfully,

Authorised Officer.
