

Unique opportunity to buy a landmark in the history of car bodywork design. The Lancia Aurelia Florida coupé by Pinin Farinia is for sale. The car, of which only one was made, was originally presented at the 1955 Turin Automobile Salon; in the same year it won the first prize in four Concours d'Elegance (Luzern, Geneva, Cortina d'Ampezzo, Rome). Stored for the last 25 years, the car is complete, but in need of restoration. Sensible offers are invited.
