Dear Charles,

You have gone quiet or emigrated?

The purpose of this letter is to ask if you will resolve Rock all Steel.

Keep me at me again + upset that you do not communicate.

I really have spent a lot of time on this one & would be glad if it could be settled to everyone's satisfaction.

Hope Vw 2140 is behaving.

Don't forget you have an employment system to collect!

Best regards

J Blum
