Dear Sir,

Thank you for your letter of the 19th. and I will take the Alfa at your price of \$1,000 on the basis that Bill Leahy has no bill against it, and therefore the above figure will be my total cost.

Enclosed is my check for a modest \$10.00 as deposit until I can arrange for pick up and final payment in full. This should be within a month or two.

Fortunately, we have a mechanic here who has restored a 1750, so I am counting on him to help me get it together and running.

Again, sincere thanks for giving me first consideration in this matter and I look forward to meeting you, and seeing the car once more, 7 years later.

Best Wishes,
