Dear Philip,

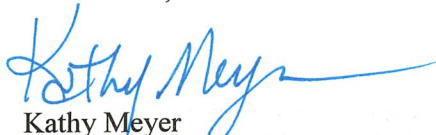

We are less than one month away from the Colorado Grand, and in preparation for this year's event, we are reviewing all our participants' files and notifying those from whom we still need information. This will significantly expedite your registration process upon your arrival in Beaver Creek. To date, we have not yet received proof of insurance and vehicle identification information (serial or vehicle identification number) for your car. License plates cannot be issued until we receive this information.

We will be utilizing the Charter at Beaver Creek again this year for both accommodations and as the event registration location. The physical address of The Charter is 120 Offerson Road (the same road on which the Hyatt is located), and their telephone number is (970) 949-6660. **There is underground parking for the cars at the Charter.**

Please be advised that the Eligibility Committee is very strict with respect to its policy regarding car substitutions. Should you need to substitute your originally accepted entry, you must submit your substitution request in writing to this office. *Unauthorized substitutions will not be allowed to run the event.*

We are very much looking forward to having you along with us this year. Should you have any questions prior to the event, please feel free to contact us at (970) 926-7810, or by fax at (970) 926-7815.

Best wishes,

Kathy Meyer
