

CRTC PUBLIC NOTICE Canada

Public Notice CRTC 1995-73, PROPOSED AMENDMENTS TO THE TELEVISION BROADCASTING REGULATIONS, 1987 AND SPECIALTY SERVICES REGULATIONS, 1990. The CRTC hereby calls for comments on proposed amendments that would exclude commercial messages purchased by political parties and candidates and referendum committees during Canadian elections periods from the definition of "advertising material". The CRTC is also inviting comments on the issue of whether "advocacy advertising" during election periods should also be considered outside of the definition of "advertising material". Written comments must be submitted to the Secretary General, CRTC, Ottawa, Ont., K1A 0N2, by 22 June 1995. Complete text of this notice may be obtained by contacting the Public Examination Room at (819) 997-2429 or through the office in Vancouver (604) 666-2111.
