We could do a driver history search and see what we turn up. We do that fairly often, usually with good results. The fee is \$25 per driver. You can send a check to me at

Include a note reminding me what the search is.....I get so many requests, i can;t keep them all straight.

Subject: Race information for Smokey Drolet...

Dear Mr Hylton,

I am researching the racing history of Smokey Drolet who raced a 1954 Frazer-Nash Le Mans Coupe, that was owned by J. Frank Harrison in the late 50's to early 60's. I contacted Bill Perry and he suggested that you or someone at the SCCA might be able to help me in my quest. I would like to document the events and results

Best regards,
Frank R. Allocca
