THE JUBILEE PARADE

Dear *Peter*

The centrepiece of the celebration of the Jubilee of the Aston Martin will be a big event at the Crystal Palace on Saturday 11th July, 1970! The main attraction for the public will be a cavalcade of the marque. For this the theme "The Thoroughbred Car" will be illustrated by a car for each year, lead by a competition car as far as this is possible.

We would like your *DB2, LML/49/4* to represent a 1949 production/~~competition~~ car. Are you willing to bring it to the Crystal Palace please ?

You will appreciate that to make quite sure of each year, whenever possible it is necessary to invite a reserve car. At present you are listed as first/reserve car. Reserve cars will be on display although they may not be able to take part in the Parade.

You might like to note that the Summer Concours d'Elegance will be held on the same day.

Yours *sincerely*

I. Rendall

* *Difficult! But we have no ^{other} production car from 1949 in the Club and yours was a 'production' car - used for racing*
