EUROPE'S HIGHEST ROAD.—Mario Tadini (Alfa-Romeo) made fastest time of the day in the Grossglockner hill-climb.

FOR ROAD SAFETY Sir Malcolm Campbell

advises you to read this book

Follow Sir Malcolm's advice. Send for this free book today. It shows how you can make certain of the biggest factor in safe driving — safe braking. Indicates at a glance the right type of lining for your car. Tells everything you should know about the working, maintenance and use of your brakes.

"This is a splendid book. Every motorist should read it and thereby 'do his bit' towards helping to solve today's problem of road safety."
