About this document

- 1 This document is a certificate telling you that an MOT Test pass result has been recorded on The Vehicle & Operator Services Agency's (VOSA's) database of MOT Test results. If you have any doubt about the validity of this document, please confirm its validity as described below under 'Crime Prevention'. Keep this certificate as it may be required in certain circumstances.
- 2 Normally the details of this certificate are machine printed. If they are hand written you may arrange to exchange it for a free printed version at the MOT Test Station that issued this certificate.

Crime prevention

- 3 To confirm that this certificate is a genuine record of VOSA's MOT database record, please visit our website at www.motinfo.gov.uk or phone the MOT Status Check Service on **0870 33 00 444**.* To check the status you will need the registration mark of the vehicle and either the test number from the MOT test certificate or the document reference number from the V5C Registration Certificate.

It does not mean that the vehicle fully meets all legal requirements or that it will continue to be roadworthy for the next year. It is your responsibility to keep the vehicle maintained so that it would always meet MOT standards and be free from other defects.

Vehicle condition

- 5 If within 28 days of the test (three months for rust or corrosion related problems) you think that the vehicle should not have passed **when it was tested**, please phone VOSA on 0300 123 9000***
