FINER - *and faster*

Winners last year at Spa, Aston Martins again proved themselves the finest British cars entered in the 1949 Grand Prix. Third, Fourth, Fifth past the post—a fine achievement which tells only half the story. Breaking new ground, on its first time out, the new 2½ litre Saloon took honours at second place in the big car class.

Fine cars ever, the new Astons are finer yet—and faster still!

If you are interested in a faster car, we shall be glad to send you full details and prices.
