1935 1.5 Litre MKII 4 seater

Chassis no. E5/574/L

Completely rebuilt by the previous owner (for 25 years) in the late 1980's and sparingly used by him, mostly to AMOC concours events. In excellent condition throughout and drives very well. This is a particularly authentic example as it has only ever been carefully rebuilt the once. Still with most of its original upholstery which has lovely patina....very rare in these early cars. In regular use over the past couple of years, running well and properly maintained. One of the best examples I know.

Price £140,000

Contact Andy Bell for further details.

see www.ecuriebertelli.com for further details and car sales

UMC 272

I want to document my 1949 DB MKII chassis # LML/49/4 and appreciate your help for photos, news clippings and other kinds of documents.

Please contact Daniel A. Waltenberg at UMC272@waltenberg.com
