Dear Mr. Rotundo,

I would like to invite you with your 1942 Alfa Romeo 6C 2500 convertible by Touring for our next edition of the Concours d'elegance Paleis Het Loo to be held at the 30st and 31st of August 2003. Transport of your car to Holland and back to Italy will be paid and organised for by the organisation. We are transporting a number of cars from Italy and we would be proud to welcome you here. Dott. Could you please let me know if you could come, if so I will make sure that you will receive all information from the organisation.

Thank you in advance
