Eric Gates has passed your letter to me to answer in my capacity of spares Co-ordinator.

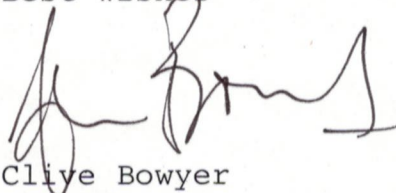

Thames Ditton no longer exists, as the factory is now at Weybridge The man who deals with spares is Brian Eacott, the address being AC Cars Ltd, Vickers drive, Brooklands industrial Park, Weybridge Surrey KT13 0YU. Tel. 0932 336033 Fax. 0932 336212.

I enclose a list of spares stocked by the factory.

AC Owner's Club also has a stock of spares, including quite a large quantity of Ace/Aceca items. Please find also enclosed a copy of the list of Club Spares.

You mention gaskets in your letter. AC engine cylinder head gaskets may not be available from the factory. If you need a head gasket please telephone me as I can probably help you.
