Nobody at the Lotus factory ever figured their bright red formula junior would serve such a utilitarian purpose. Lovely Diane Pina, Miss Monterey Pacific Grand Prix, finds a new use for the rear-view mirror on Ed Leslie's racing machine. Diane is a life-long Monterey resident, and is attending Monterey Peninsula College where she majors in business administration. Her apparel was provided by Joanne's Sports Wear in Carmel Valley and Gladys McCloud's Shop in Carmel.

WE'RE EXCITED!!

Because of the new 1964 PORSCHE with DISC BRAKES.

Even the Wester Motors Team (pictured above) is excited and they usually remain quite composed through it all. Our team consists of the 1964 Porsche and (left to right) Jim Wester, Sales Manager; Don Wester, Team Manager and race driver; Homer Worth, top Porsche and race mechanic, and Bill Van Schoik, top Porsche salesman at Wester Motors.

In all, there are 37 improvements on the new 1964 Porsche 356C Model. Drop by for a demonstration and full details.

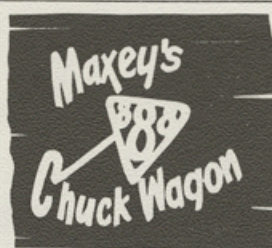

By the way, Don is presently testing the new disc brakes on his RS-61 (No. 60) and says they stop smoother and quicker.
