FCA Italy S.p.A - Heritage

The Managing Director

R. G. Lombardi

The Heritage Department of FCA Italy (legitimate owner of Alfa Romeo Brand) has issued this certificate of authenticity for the sole purpose of certifying the overall authenticity of Alfa Romeo historic vehicles.

This Certificate has been issued relying on the information provided by the owner of the vehicle or his authorized representative during the course of the certification procedure.

No representation or warranty is made as to the correctness of the authenticity of the vehicle should it turn out that the information provided was untrue or that the owner or his authorized representative did not provide to the Officine Classiche all the relevant information or documents concerning the vehicle.

This Certificate has been issued, based upon the state of use of the vehicle, ascertained during the certification procedure and as of the date of the issuance of the vehicle Certification.

No representation or warranty is issued to the authenticity of the car, should the car be partially or totally dismantled, modified or in the event that essential parts of the vehicle being replaced subsequently after to the release of the said Certificate of Authenticity.

Officine Fca Heritage declines any responsibility towards the owner of the vehicle and/or any third party who may subsequently purchase the vehicle or enter into any type of transaction in virtue of the Certification of Authenticity.

Officine Fca Heritage does not undertake any liability in relation to the safety of the car and/or its roadworthiness in accordance with any applicable law or regulations.

The owner of the car, in his own right, that of his heirs and assignees, waives all and any right whatsoever in this respect.

The owner of the car, for himself, his successors and assignees, waives all and any right whatsoever in this respect.
